TEAL STRATUS
TECHNOLOGIES

Expert Architects Designing Your Cloud Journey

Company Overview

Teal Stratus Technologies, a top IT consulting firm, is at the forefront of Cloud Security and Microsoft Technologies within Azure. With a legacy of two decades of experience in Cybersecurity, Azure, and the DoD, we have established a distinctive market presence, renowned for our expertise in ensuring secure cloud journeys for our clients.

Core Competencies

Teal Stratus Technologies specializes in Microsoft Technologies and aids businesses in their digital transformation journeys. Our offerings span from executing M365 migrations and Intune deployments to migrating applications into Azure too. Central to our expertise is ensuring the security of our customers' cloud infrastructure, a realm in which we excel.

Managed Cloud Services | M365 & Azure Migrations
Support, Configuration, & Security Hardening | Azure Cloud
Security Assessment | Defender for Endpoint Deployment &
Monitoring | Azure Infrastructure as Code | Network Design
& Deployment | Azure Cost Optimization | Azure Sentinel |
Kusto Query Alert | Azure Data & AI | Azure Databricks |
Digital Transformation | Trusted Advisor | Microsoft Partner

Differentiators

We pride ourselves on delivering expertise that spans across the spectrum - from budding small businesses to defense contractors and the Department of Defense (DoD). Our unique blend of knowledge, especially in Azure for the DoD, sets us apart in the market. Moreover, our proprietary intellectual property in cloud security optimizes our Azure service delivery, making our consultations efficient and streamlined.
